To Whom It May Concern:

*Cynthia Epeneter has been the accountant/bookkeeper for our company for more than 8 years.*

She's been fully in charge of daily and monthly entries; accounts payable, receivables, inventory, payroll and general ledger which has involved up to 6 separate and somewhat diverse businesses. She consolidates and reports results of the six companies.

For 6 years, our company was publicly traded and filed quarterly reports which Cyndi prepared prior to review by the company controller.

She has the technical abilities for most any accounting / bookkeeping tasks and most important has a work ethic of reliability, accuracy, timeliness, and tenacity.

She works well with others and appropriately encourages other non-accounting employees to provide accurate and timely accounting information to track the operations of the businesses.

As an accountant / bookkeeper, Cyndi is very recommendable and I'd be glad to discuss her qualities personally. Feel free to call me at: 801-884-7782.
